Classroom Job Descriptions

Desk monitor

If your frustrated by the amount of clutter in your student desks, then assign a student this job. Have the desk monitor go around the room and make a list of every student who has a clean desk. You can then decide what reward you want to give to those students who have a clean desk.

Pencil Sharpener

The pencil sharpener stays in the room during recess and sharpens all of the pencils in the "needs sharpening" tub.

Flag Salute Leader

The flag salute leaders starts the flag salute each morning.

Homework Checker

At the beginning, in my classroom, the homework checker collects the homework and notes who didn't bring their homework. Afterwards the report their findings to me. This is of course only on days that I assign homework.

Lunch Counter

This person takes the lunch count each morning.

Sink Monitor

This person will monitor how long each student gets when washing their hands before lunch. They are responsible for keeping the area clean.

Line Leader

Caboose

Plant Monitor

This student is responsible for keeping the classroom plant alive.

Light Monitor

Coatroom Cop

Makes sure coats and backpacks are all hung up correctly and nothing is left in the walkways.

Librarian

Responsible for helping students check books in and out, keeps the area clean, and later in the year re-shelves the books.

Clean up helper

Everyone cleans up, but this student is the supervisor. He/she tells other students what still needs to be done and makes sure that everyone is helping.

Absentee helper

This student checks to see who is absent for the day and collects papers and homework for that student. When the student comes the next day, the absentee helper tells them how to do the assignments.

Attendance Monitor

Marks who is absent and then tells the absentee helper.

Messenger

If you need to send a message to the office or to another room you send this student.

Board Cleaner

At the end of the day this student erases all of the boards in the classroom. I let them do this while the rest of the class is cleaning the room. The clean up helper then assigns someone to clean up the area around the board cleaners desk.

Teacher's Helper

If you have anything else you need to have done in the classroom this is the go-to student.

Paper Passer
