

T-rex and Turtle

by Brenda Olsen

I am T-rex.

You are small, turtle.

You are big, T-rex.

You are fast, T-rex.

You are slow, turtle.

A purple T-Rex is shown in profile, facing right. A green turtle with a brown shell is perched on its head. The T-Rex has its mouth open, showing sharp teeth. Two speech bubbles are present: one from the turtle and one from the T-Rex.

Are we friends,
T-rex?

Yes, we are, turtle.
